

2010 Evening of Excellence

Message from the Superintendent of Pinellas County Schools:

On behalf of the School Board of Pinellas County, the Pinellas Education Foundation Board of Directors and our event sponsors, it is a pleasure to welcome you to the 2010 Evening of Excellence. Tonight we will celebrate excellence in the classrooms, the community, and in our families as we honor our finalists and winners in several categories.

The Evening of Excellence will showcase the outstanding contributions, energy, and commitment to the teaching profession demonstrated by our nominees. Their dedication and achievements serve as an inspiration to all of us and

remind us why the Pinellas County School district is so great. On behalf of the many students, faculty and community members whose lives were touched by their presence, I offer my thanks, the thanks of each school board member, our Foundation board and that of our sponsors.

Tonight's event would not be possible without the generous support of Humana, Bright House Networks, DITEK and the Pinellas Education Foundation. We sincerely appreciate the role you play as our education partners. Our success is possible because of your commitment, not only to tonight's event, but your commitment to excellence in education.

Please join me in congratulating all of our nominees, our winners, and the many thousands of dedicated teaching professionals who are privileged to serve our children every day. I hope you enjoy the Evening of Excellence ceremony and award presentations.

Julie M. Janssen, Ed.D.
Superintendent
Pinellas County Schools
