

NEXT GEN TECH 360

DEVELOPING FUTURE CREATORS AND LEADERS

ABOUT NGT 360

Next Gen Tech 360 is a one-of-a-kind youth tech shark tank. It is a 7 month after school program where students take their own idea and develop a tech product, working along side business mentors like you. NGT360 started five years ago in Pinellas county in partnership with the Pinellas Education Foundation. Each year NGT 360 gets better, and this year we are expanding across Tampa Bay.

WHAT DOES IT TAKE TO BE A MENTOR?

Participate in twice monthly workshops or sign up to be a speaker.

DESIRED PROFESSIONALS

- Product Managers
- Project Managers
- Business Analysts
- Architects
- UX Designers
- Cybersecurity Specialists
- Others interested in sharing their expertise

LOVE THE PROGRAM BUT CAN'T MENTOR?

Talk to your company about becoming a financial or in-kind sponsor. Contact our founder, Robyn Mussler, for more information.

BECOME A MENTOR

This year we are going virtual with a microlearning platform and a career assessment tool to enrich the student experience. Come be a part of the excitement of building the Next Generation of talent.

Come be a part of the NGT360 community!
Starts: Oct 28, 2020, Sign up at: bit.ly/NGT360-Mentor-Registration
