Mentors are paired with a high school NGE team. Help them refine their ideas, craft a business plan, and polish their "pitch" through virtual mentoring.

Teams will pitch their businesses in a Shark Tank-style finale for $10,000 in prize money to start up their venture.

The total time commitment is 2-10 hours from November through March.

Become a mentor for the NEXT GENERATION ENTREPRENEURS COMPETITION!

The Next Generation Entrepreneurs program helps high school students bring an innovative business or product idea to market with guidance from business mentors.

- Mentors are paired with a high school NGE team. Help them refine their ideas, craft a business plan, and polish their "pitch" through virtual mentoring.
- Teams will pitch their businesses in a Shark Tank-style finale for $10,000 in prize money to start up their venture.
- The total time commitment is 2-10 hours from November through March.
