Independent Auditors' Report on Consolidated Financial Statements and Supplementary Financial Information

The Board of Directors
Pinellas County Education Foundation, Inc. and Subsidiary:

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary (the "Foundation"), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities and cash flows for the years then ended, the related consolidated statement of functional expenses for the year ended June 30, 2021, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Pinellas County Education Foundation, Inc. and Subsidiary as of June 30, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended, and their functional expenses for the year ended June 30, 2021 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Pinellas County Education Foundation, Inc. and Subsidiary's 2020 consolidated financial statements, and our report dated December 1, 2020, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein for the year ended June 30, 2020, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary taken as a whole. The accompanying schedule of expenditures of state financial assistance, as required by Chapter 10.650, *Rules of the State of Florida Auditor General*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the Unites States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2021 on our consideration of the Foundation's internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pinellas County Education Foundation, Inc. and Subsidiary's internal control over financial reporting and compliance.

MAYERHOFFMAN MCCANN P.C.

Notes to Consolidated Financial Statements

June 30, 2021 and 2020

(1) Summary of Significant Accounting Policies and Practices

(a) Organization and Purpose

The Pinellas County Education Foundation, Inc. d/b/a Pinellas Education Foundation and its wholly-owned subsidiary, Future Plans USA, LLC, (collectively the "Foundation") function as an independent nonprofit organization established originally in 1986. The mission of the Foundation is to accelerate educational achievement for all students through the effective mobilization of innovation, relationships and resources. The Foundation's vision is that every student will be prepared for life after high school, whether the choice is to attend college, to enter the workforce, or to obtain technical training.

In April 2019, substantially all of the assets of Future Plans USA, LLC (FP USA) were sold for a purchase price of \$350,000. The purchase price was to be paid in 6 monthly installments of \$33,333 beginning May 2019 plus a licensing fee of \$6 per user of the GetWorkerFIT Program until the aggregate licensing fees paid equal \$150,000. In May 2021, the Foundation filed articles with the State of Florida to dissolve FP USA effective July 1, 2021.

The following is a partial listing of the Foundation's programs:

Closing the Gap Program offers teachers training and schools grants to address the literacy achievement gap that exists between boys and girls. By increasing teacher knowledge and skills around how boys and girls learn differently, students are engaged differently enhancing their ability to learn more effectively.

Take Stock in Children Scholarship Program. This statewide scholarship program helps low-income youth 6 - 12th grade, many from minority families, escape the cycle of poverty through education. Scholarship recipients are paired with mentors who provide inspiration and guidance, as well as, college success coaches and school-based ambassadors who monitor their progress and enhance their learning.

The Academies of Pinellas Programs offer students rigorous, relevant and challenging academic courses to prepare for in-demand jobs. Students combine traditional coursework with technical training to earn high school credit, college credit and certifications for industries such as Trade and Industrial; Business and Marketing; Family and Consumer Sciences; Health Occupations; Public Safety and Security; and Technology.

Student Scholarships. The Foundation offers numerous scholarships to help students achieve their educational goals and dreams. These traditional scholarships range from \$500 to \$5,000 and are available to high school graduating seniors in the Pinellas County Public School system.

School Enhancement Grants and District-wide Initiatives provide financial resources directly to Pinellas County schools for the implementation of programs that allow schools to enhance their programs and curriculum.

Notes to Consolidated Financial Statements - Continued

(1) Summary of Significant Accounting Policies and Practices - Continued

(a) Organization and Purpose - Continued

The Gus Stavros Institute houses three separate and distinct programs: Enterprise Village teaches fifth-grade students about America's economic system through hands-on business simulations. Finance Park teaches eighth-grade students personal financial management in a reality-based center. Future Plans is an interactive, self-administered, on-line program aimed at helping students discover their abilities, interests, work values and personality traits so that they can choose the educational pathway and/or field of work that will lead to their best indemand career choices.

(b) Principles of Consolidation

The consolidated financial statements include the financial statements of Pinellas County Education Foundation, Inc. and Future Plans USA, LLC. All significant inter-organizational balances and transactions have been eliminated in consolidation.

(c) Basis of Presentation

The consolidated financial statements of the Foundation have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), which require the Foundation to report information regarding its consolidated financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

(d) Liquidity

Assets are presented in the accompanying consolidated financial statements according to their nearness of conversion to cash, and liabilities according to the nearness of their maturity and resulting use of cash.

(e) Cash Equivalents

For purposes of the consolidated statement of cash flows, the Foundation considers all highly liquid instruments with an original maturity of three months or less to be cash equivalents.

Notes to Consolidated Financial Statements - Continued

(1) Summary of Significant Accounting Policies and Practices - Continued

(f) Marketable Investment Securities

Investments in marketable securities with readily determinable fair values and all investments in debt securities are carried at their fair values in the Foundation's consolidated statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying consolidated statements of activities. Restrictions on investment earnings are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the earnings are recognized.

(g) Pledges Receivable

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Conditional promises to give - that is, those with a measureable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

Promises to give that are expected to be collected within one year are recorded at net realizable value. Promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received, plus an applicable risk premium. Amortization of the discounts is included in contribution revenue. It is the Foundation's policy to charge off uncollectible pledges receivable when management determines the receivable will not be collected.

(h) **Property and Equipment**

The Foundation capitalizes property and equipment over \$1,000. Purchased property and equipment are capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Depreciation of property and equipment is calculated using the straight-line method over estimated useful lives of the assets.

(i) Prepaid Scholarships

Prepaid scholarships consist of prepaid college tuition and fees purchased through the Florida Prepaid College Foundation, Inc. Certain amounts are matched dollar-for-dollar by the State of Florida depending upon budget allocation. The scholarships are recorded at the total of cost plus matching funds and are amortized based on actual credit hours used by the students.

(j) Beneficial Interest in Trust and Gift Annuities

The Foundation has a beneficial interest in a charitable remainder trust ("CRUT") and charitable gift annuities ("CGA") whereby the Foundation maintains custody of the related assets and makes specified distributions to a designated beneficiary over the term of each trust and annuity. Assets under the trust and annuities are recorded at fair value.

Trust and annuity liabilities associated with the CRUT and CGA are determined based on the present value of the estimated future payments to be made to the designated beneficiaries. The liability is reduced as distributions are made to the beneficiaries.

Notes to Consolidated Financial Statements - Continued

(1) Summary of Significant Accounting Policies and Practices - Continued

(k) Contributions

The Foundation recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

Conditional contributions are recorded as revenue when such amounts become unconditional which generally involves the meeting of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with an applicable framework, allowable costs under a government grant or other barriers.

A portion of the Foundation's revenue is derived from cost-reimbursable contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenditures. Amounts received are recognized as revenue when the Foundation has provided certain services and incurred expenditures in compliance with specific contract or grant provisions. Cash received in excess of revenue recognized is recorded as refundable advances. There were refundable advances of approximately \$606,000 and \$65,000 as of June 30, 2021 and 2020, respectively. As of June 30, 2021 and 2020, the Foundation has been awarded grants and contracts of approximately \$1,567,000 and \$1,046,000, respectively, of which no amounts had been received in advance, that have not been recognized in the accompanying consolidated financial statements because the conditions have not been met.

(1) Functional Allocation of Expenses

The costs of providing the various programs and other activities are presented in the accompanying consolidated statement of functional expenses and have been summarized on a functional basis in the accompanying consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted. Personnel costs have been allocated to functional classifications based on the estimated percentage of time spent on each by Foundation employees. Occupancy costs and depreciation have been allocated to functional classifications based on the Foundation's square footage analysis.

(m) Donated Services, Materials and Building Space

Donations of materials and building space are recorded as support at their estimated fair value at the date of donation. Donations of services are recorded as support at their estimated fair value if they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Notes to Consolidated Financial Statements - Continued

(1) Summary of Significant Accounting Policies and Practices - Continued

(n) <u>Income Taxes</u>

The Pinellas County Education Foundation, Inc. is a nonprofit organization exempt from federal income taxes on related income as an organization described in Section 501(c)(3) of the Internal Revenue Code and from Florida income tax under Chapter 220 of the *Florida Statutes*. Accordingly, no provision for income taxes has been included in the accompanying consolidated financial statements. The Foundation has adopted FASB guidance regarding *Uncertainty in Income Taxes* as codified in FASB ASC Topic 740-10. As of June 30, 2021, management does not believe it has taken any tax positions that are subject to a significant degree of uncertainty. The Foundation's income tax filings are subject to examination by the Internal Revenue Service generally for three years after they were filed. Tax filings for years after June 30, 2017 remain open for examination.

(o) Estimates in Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of increases or decreases in net assets during the period. Actual results could differ from those estimates.

(p) Going Concern Evaluation

On an annual basis, as required by ASC Topic 205, *Presentation of Financial Statements - Going Concern*, the Foundation performs an evaluation to determine whether there are conditions or events (known and reasonably knowable), considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

(q) Summarized Financial Information for 2020

The consolidated statement of functional expenses includes certain prior-year summarized comparative information in total but not by functional category. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's consolidated financial statements for the year ended June 30, 2020, from which the summarized information was derived.

Notes to Consolidated Financial Statements - Continued

(2) Pledges Receivable

Included in pledges receivable as of June 30, 2021 and 2020 are the following unconditional promises to give:

	 2021	2020
Stavros Society donors Stavros Institute Other	\$ 293,710 902,541 23,000	402,571 1,073,981
Total pledges receivable	1,219,251	1,476,552
Discount for present value	 (83,868)	(117,344)
Net pledges receivable	\$ 1,135,383	1,359,208
Amounts receivable in:		
Less than one year	\$ 319,883	328,752
One to five years	744,068	932,400
Thereafter	 155,300	215,400
Total	\$ 1,219,251	1,476,552

Discount rates range from 1.18% to 3.85% as of June 30, 2021 and 2020.

For the year ended June 30, 2021, the Foundation charged off no uncollectible pledges. For the year ended June 30, 2020 the Foundation charged off uncollectible pledges of approximately \$16,500. Based on historical experience and other circumstances, it is management's estimate that the remaining receivables will be fully collected. Therefore, no allowance for uncollectible pledges is deemed necessary.

Outstanding pledges from one donor exceeded 10% of total pledges receivable as of June 30, 2021 and 2020.

Notes to Consolidated Financial Statements - Continued

(3) **Property and Equipment**

Property and equipment consist of the following as of June 30, 2021 and 2020:

	 2021	2020
Computer equipment Furniture and fixtures	\$ 112,405 60,589	103,884 60,589
	172,994	164,473
Less accumulated depreciation	 (133,855)	(114,252)
	\$ 39,139	50,221

Depreciation expense for the years ended June 30, 2021 and 2020 was \$19,603 and \$17,225, respectively. Depreciation expense is included with other expenses in the accompanying consolidated statement of functional expenses.

(4) Donated Building Space Use

During December 2009, the Foundation entered into a below market 10 year lease agreement with The School Board of Pinellas County, Florida. Upon expiration of the original term in December 2019, the lease agreement was automatically extended for 5 years. Recognition of the fair value of this lease and related rental expense for the years ended June 30, 2021 and 2020 is summarized as follows:

Balance as of June 30, 2019	\$ 37,139
Gross amount of extension in-kind lease payments	510,000
Less discount for present value over lease term (discount rate at 1.67%)	 (16,113)
Recognition of fair value of donated building space, net of present value discount	493,887
Recognition of in-kind rent expense for the year ended June 30, 2020	 (97,030)
Balance as of June 30, 2020	433,996
Recognition of in-kind rent expense for the year ended June 30, 2021	 (95,481)
Balance as of June 30, 2021	\$ 338,515

Notes to Consolidated Financial Statements - Continued

(5) Marketable Investment Securities

Marketable investment securities consist of the following as of June 30, 2021 and 2020:

	_	202	21	202	20
	_	Cost	Fair Value	Cost	Fair Value
Large Cap Equity Mutual Funds	\$	9,592,188	13,261,756	8,845,436	9,675,222
Large Cap Foreign Equity Mutual Funds		21,331	27,069	20,603	21,248
Large Cap Foreign Equity Securities		1,195,826	1,408,314	1,089,368	1,060,014
Preferred Equity Securities		444,527	449,861	-	-
Government Bonds		2,225,689	2,244,621	1,940,070	2,013,304
Government Bond Funds		80,094	79,870	31,600	33,286
Corporate Bonds		878,379	907,370	1,439,971	1,503,638
International Corporate Bonds		-	-	27,095	27,700
Money Market Funds	_	349,164	349,164	458,020	458,020
	\$_	14,787,198	18,728,025	13,852,163	14,792,432

None of the Foundation's investments in corporate bonds (domestic and international) are concentrated in a single entity or industry.

(6) Florida Prepaid Scholarships

During the years ended June 30, 2021 and 2020 the Foundation paid \$490,607 and \$491,631, respectively, to the Florida Prepaid College Foundation, Inc. for the purpose of purchasing prepaid scholarships to be awarded in the future to qualified economically disadvantaged students in Florida, in an effort to redirect their lives and enhance their career goals. Additionally, the Foundation utilized Scholarship Reinvestment Opportunity ("SRO") funds of \$1,521,056 for the purpose of purchasing prepaid scholarships during the year ended June 30, 2021. Certain amounts are matched dollar-for-dollar by the State of Florida depending on budget allocations. The matching contributions for the years ended June 30, 2021 and 2020 of \$2,011,662 and \$491,631, respectively, are recorded as contributions with donor restrictions in the Take Stock in Children program, During the year ended June 30, 2021, the Foundation received a cash refund of approximately \$158,000 from the Florida Prepaid College Foundation, Inc. due to modest tuition and fee increases in recent years resulting in the value paid for the scholarships being greater than the benefits paid by the plan. The refund is recorded as a contribution with donor restriction in the Take Stock in Children program. During the year ended June 30, 2020, the Foundation received a refund of approximately \$1,282,000 that was deposited in the Foundation's SRO funds account maintained by the Florida Prepaid College Foundation, Inc. relating to prepaid scholarships. The refund is recorded as a gain on Florida prepaid scholarships and included in other changes in the accompanying consolidated statement of activities.

(7) Paycheck Protection Program Note Payable

The Foundation applied for and received a forgivable Paycheck Protection Program Loan of \$295,000 as provided under the Federal Coronavirus Aid, Relief and Economic Security Act and the loan was funded on April 8, 2020. Under the terms of the loan, the balance is forgivable to the extent the proceeds are used for certain qualified costs for the 24 week period through September 23, 2020 and that certain employment levels are maintained. The Foundation received notice of a legal release from the obligation in April 2021, and therefore has recognized a gain on the forgiveness of debt of \$295,000 for the year ended June 30, 2021.

Notes to Consolidated Financial Statements - Continued

(7) Paycheck Protection Program Note Payable - Continued

The Foundation applied for and received a second forgivable Paycheck Protection Program Loan of \$396,677 as provided under the Federal Coronavirus Aid, Relief and Economic Security Act and the loan was funded on March 15, 2021. Under the terms of the loan, the balance is forgivable to the extent the proceeds are used for certain qualified costs for the 24 week period through August 30, 2021 and that certain employment levels are maintained. To the extent a portion of the loan does not meet the criteria to be forgiven, such amount is due and payable at maturity in March 2026 and carries an interest rate of 1.00%. The Foundation may prepay all or a portion of the outstanding balance at any time prior to maturity.

(8) Donated Services, Goods and Building Space

Donated services, goods and building space for the years ended June 30, 2021 and 2020 consisted of the following:

	 2021	2020
Office rental	\$ 6,519	493,887
Food and beverage	-	6,866
Professional services	-	40,059
Other goods and services	 59,238	5,355
	\$ 65,757	546,167

(9) Operating Leases

The Foundation has four noncancellable operating leases for office equipment that expire at various times through fiscal 2022. The Foundation also has an operating lease for building space, as described in Note 4 that expires in December 2024. Amounts paid for rent on operating leases for the years ended June 30, 2021 and 2020 were approximately \$19,000.

Future minimum lease payments under noncancellable operating leases as of June 30, 2021 are as follows:

Year Ending June 30,	
2022	\$ 13,000
2023	6,000
2024	6,000
	\$ 25,000

Notes to Consolidated Financial Statements - Continued

(10) Split-Interest Agreements

The Foundation has been named the remainder beneficiary under eight separate split-interest agreements. For one charitable remainder trust, the Foundation is also named as trustee. That charitable remainder trust and the gift annuities provide for the payment of quarterly distributions to the donors over the donors' lifetimes. Quarterly distributions under the charitable remainder unitrust agreement are the lesser of current earnings or 7% of the fair market value of the trust assets as of the beginning of each year. Quarterly distributions under the charitable gift annuity agreements range from 7.0% to 7.6%, which approximates a range of \$350 to \$720. Upon the death of the donors, the remaining assets are available for the Foundation's use.

The portion of each trust attributable to the present value of the future benefits to be received by the Foundation is recorded in the statement of activities as a contribution with donor restrictions in the period the trust or gift annuity is established.

The assets held under the charitable remainder trust are reported at fair value in the Foundation's consolidated statements of financial position. On an annual basis, the Foundation revalues the liability to make distributions to the designated remainder trust income beneficiaries based on actuarial assumptions. The present value of the estimated future payments (\$169,615 and \$149,888 as of June 30, 2021 and 2020, respectively) is calculated using a current discount rate of 5.4% and applicable mortality tables. The present value of the obligation under charitable gift annuity agreements (\$17,908 and \$16,934 as of June 30, 2021 and 2020, respectively) is estimated using discount rates that range from 0.49% to 1.21% and applicable mortality tables.

State law requires that the Foundation limit the manner in which it invests these charitable gift annuity assets and that the Foundation maintain a reserve fund equal to a minimum of 110% of the actuarial present value of the related annuity obligations. As of June 30, 2021, the Foundation was in compliance with this requirement.

(11) Fair Value Measurements

The Foundation has adopted the guidance in FASB ASC Topic 820, *Fair Value Measurement*, which provides a common definition of fair value, establishes a framework for measuring fair value under U.S. generally accepted accounting principles and requires additional disclosures about fair value.

Fair values for Level 1 marketable investment securities and beneficial interest in trusts (with underlying marketable securities) are determined by reference to quoted market prices. Fair values for Level 2 marketable investment securities are determined by reference to observable market-based inputs. Fair value for Level 3 obligations under split-interest agreements is determined by calculating the present value of future obligations using life expectancy tables and discount rates ranging from 0.49% to 5.40%.

Notes to Consolidated Financial Statements - Continued

(11) Fair Value Measurements - Continued

Fair value of assets and liabilities measured on a recurring basis as of June 30, 2021 is as follows:

	-	Fair Value as of June 30, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets:					
Large Cap Equity Mutual Funds	\$	13,261,756	13,261,756	-	-
Large Cap Foreign Equity					
Mutual Funds		27,069	27,069	-	-
Large Cap Foreign Equity Securities		1,408,314	1,408,314	-	-
Preferred Equity Securities		449,861	449,861	-	-
Government Bonds		2,244,621	-	2,244,621	-
Government Bond Funds		79,870	79,870	-	-
Corporate Bonds		907,370	-	907,370	-
Money Market Funds	-	349,164	349,164		
Total investments		18,728,025	15,576,034	3,151,991	-

	\$	16,507,612	11,481,749	5,025,863	
Liabilities:					
Obligations under split-interest agreements	\$	166,822			166,822

Notes to Consolidated Financial Statements - Continued

(11) Fair Value Measurements - Continued

The following table sets forth a summary of changes in fair value of liabilities using significant unobservable inputs (Level 3) for the years ended June 30, 2021 and 2020:

	Obligations Under Split-Interest Agreements			
		2021	2020	
Balance, beginning of year	\$	166,822	189,656	
Change in fair value due to change in value of underlying assets and actuarial assumptions		20,701	(22,834)	
Balance, end of year	\$	187,523	166,822	

See Note 10 for quantitative information about the significant unobservable inputs the Foundation used in the Level 3 fair value measurement.

(12) Endowment Funds

Effective July 1, 2012, the State of Florida adopted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") and in accordance with FASB ASC Topic 958-205-45-28, Classification of Donor Restricted Endowment Funds Subject to UPMIFA, the Foundation classifies investment earnings on endowments as a component of net assets with donor restrictions if not appropriated for expenditure in the period earned. Once investment earnings are appropriated for expenditure, the Foundation reclassifies the amount appropriated as a component of net assets without donor restrictions.

The Foundation has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of the gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In the absence of donor restrictions, the net appreciation (depreciation) on a donor-restricted endowment fund is spendable and classified as net assets with donor restrictions until appropriated for expenditure. The Foundation tracks the net investment income attributed to each component of the endowment fund.

The Foundation has adopted investment and spending polices, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long-term. The Foundation's spending and investment policies work together to achieve this objective.

Notes to Consolidated Financial Statements - Continued

(12) Endowment Funds - Continued

The investment policy establishes an achievable return objective through diversification of asset classes. The overall long-term objective is to achieve a rate of return that exceeds the long-term rate of inflation (Consumer Price Index) by a benchmark established for each portfolio. Actual returns in any given year may vary from this amount. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation, which includes equity and debt securities, that is intended to result in a consistent inflation protected rate of return and grow the fund. Investment risk is measured in terms of the total endowment fund. Investment assets and the allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk in order to achieve its long-term return objectives.

The Foundation's spending policy is to annually calculate the amount of funding necessary to support the Stavros Institute and the Take Stock in Children scholarship program. The determined amount is distributed from the Foundation's temporarily restricted unappropriated endowment earnings. The Foundation's objective is to maintain the purchasing power of endowment assets as well as to provide additional real growth through investment return. In years when distributions exceed the amount of available temporarily restricted unappropriated endowment earnings, the Foundation transfers amounts from its net assets without donor restrictions to fund the distributions. Future net investment income and appreciation (depreciation) of the endowment assets will be used to restore the Foundation's net assets without donor restrictions.

Composition of endowment net assets as of June 30, 2021 and 2020 and changes in endowment net assets for the years then ended are as follows:

	_	Without Donor Restrictions	With Donor Restrictions	Total Endowment Net Assets
Endowment net assets, June 30, 2019	\$	-	3,851,200	3,851,200
Investment income		-	119,187	119,187
Net depreciation in fair value of investments		-	(56,060)	(56,060)
Amounts appropriated for expenditure	_		(63,127)	(63,127)
Endowment net assets, June 30, 2020		-	3,851,200	3,851,200
Investment income		-	75,746	75,746
Net appreciation in fair value of investments		-	1,037,773	1,037,773
Amounts appropriated for expenditure	_		(1,113,519)	(1,113,519)
Endowment net assets, June 30, 2021	\$_	-	3,851,200	3,851,200

Notes to Consolidated Financial Statements - Continued

(13) Retirement Plan

The Foundation sponsors a qualified 403(b) defined contribution retirement plan covering all eligible employees. The Foundation's contribution was 3% of base salaries for the years ended June 30, 2021 and 2020. The plan contains a vesting schedule for employer contributions. All forfeited nonvested employer contributions are used to reduce future employer contributions. Pension expense is reported net of forfeitures used in lieu of employer cash contributions. Contributions to the plan were approximately \$37,000 and \$49,000 for the years ended June 30, 2021 and 2020, respectively.

(14) Related Parties

The Foundation receives a significant amount of contributions from members of the Foundation's Board of Directors and companies for which those Directors serve as officers.

(15) Funding and Credit Concentrations

The Foundation maintains its deposits with a commercial bank which management believes to be of high credit quality. Approximately \$4,381,000 and \$5,821,000 of the Foundation's deposits with this bank were not covered by Federal deposit insurance as of June 30, 2021 and 2020, respectively.

(16) Risks and Uncertainties

The novel coronavirus ("COVID-19") spread rapidly across the world in the first quarter of 2020 and was declared a pandemic by the World Health Organization in March 2020. The government and private sector responses to contain its spread began to adversely affect the broader economy and business in general in March 2020 and those impacts will likely affect the Foundation's operations through the remainder of calendar year 2021, although such effects may vary significantly. The Foundation's operations have not been significantly impacted, however, the duration and extent of the pandemic and its effects over longer terms cannot be reasonably estimated as of the date the consolidated financial statements were available for issuance. The risks and uncertainties resulting from the pandemic that may affect the results of operating activities, cash flows and financial condition include the nature and duration of any potential curtailment of various Foundation activities and the long-term effect on sources of contributions and other support and revenue. Accordingly, significant estimates used in the preparation of the consolidated financial statements including those associated with evaluations of certain long-lived assets for impairment and expected credit losses on amounts owed to the Foundation may be subject to significant adjustments in future periods.

The pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. As a result, there has been heightened market risk and the Foundation's investment portfolio has incurred significant volatility in fair value since March 2020. Because the values of the Foundation's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in future periods, if any, and the related impact on the Foundation's liquidity cannot be determined at this time.

Notes to Consolidated Financial Statements - Continued

(17) Liquidity and Availability of Resources

The Foundation is supported by both contributions with and without donor restrictions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Foundation must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

As of June 30, 2021 and 2020, the Foundation's financial assets available to meet general expenditures within one year were as follows:

		2021	2020
Financial assets:	_		
Cash and cash equivalents	\$	4,970,253	6,400,592
Grants and other receivables		417,225	580,495
Marketable investment securities		18,728,025	14,792,432
Pledges receivable, net		1,135,383	1,359,208
Beneficial interests in trusts		1,494,802	1,715,180
Total financial assets		26,745,688	24,847,907
Amounts unavailable for general expenditure			
within one year due to:			
Contractual or donor-imposed restrictions:			
Contributions restricted for future periods		(204,368)	(289,993)
Beneficial interests in trusts		(1,494,802)	(1,715,180)
Programs and grants		(6,045,807)	(8,101,491)
Stavros Institute		(1,296,286)	(1,073,921)
Take Stock in Children		(2,951,801)	(1,988,314)
School-based projects		(3,432,537)	(2,908,357)
District-wide initiatives		(80,710)	(94,879)
Student scholarships		(3,773,026)	(3,544,843)
Take Stock in Children endowment		(630,000)	(630,000)
Stavros Institute endowment		(3,221,200)	(3,221,200)
Financial assets available to meet cash needs			
for general expenditures within one year	\$	3,615,151	1,279,729

(18) Subsequent Events Evaluation

The Foundation has evaluated subsequent events through December 13, 2021, the date the consolidated financial statements were available for issuance.

Schedule of Expenditures of State Financial Assistance

Year Ended June 30, 2021

State Agency/ Pass-through Grantor/ State Project	CSFA Number	Agency or Pass-through Number	Current Year Expenditures

Total expenditures of state financial assistance			\$ 1,382,477	

Notes to Schedule of Expenditures of State Financial Assistance

Year Ended June 30, 2021

(1) Basis of Presentation

The accompanying schedule of expenditures of state financial assistance (the "Schedule") includes the state grant activity of Pinellas County Education Foundation, Inc. and Subsidiary under programs of the State of Florida for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Chapter 10.650, *Rules of the State of Florida Auditor General*. Because the Schedule presents only a selected portion of the operations of Pinellas County Education Foundation, Inc. and Subsidiary, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Pinellas County Education Foundation, Inc. and Subsidiary.

(2) Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the *Department of Financial Services'* State Projects Compliance Supplement, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) Subrecipients

Pinellas County Education Foundation, Inc. and Subsidiary provided no state financial assistance to subrecipients for the year ended June 30, 2021.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Consolidated Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Directors Pinellas County Education Foundation, Inc. and Subsidiary:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary (the "Foundation"), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 13, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major State Project and on Internal Control Over Compliance Required by Chapter 10.650, Rules of the State of Florida Auditor General

The Board of Directors
Pinellas County Education Foundation, Inc. and Subsidiary:

Report on Compliance for Each Major State Project

We have audited Pinellas County Education Foundation, Inc. and Subsidiary's (the "Foundation") compliance with the types of compliance requirements described in the *Department of Financial Services*' State Projects Compliance Supplement that could have a direct and material effect on Pinellas County Education Foundation, Inc. and Subsidiary's major state project for the year ended June 30, 2021. Pinellas County Education Foundation, Inc. and Subsidiary's major state project is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with State statutes, regulations and the terms and conditions of its State projects applicable to its major State project.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for Pinellas County Education Foundation, Inc. and Subsidiary's major state project based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state project occurred. An audit includes examining, on a test basis, evidence about the Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion for the major state project. However, our audit does not provide a legal determination on the Foundation's compliance.

Opinion on Each Major State Project

In our opinion, Pinellas County Education Foundation, Inc. and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state project for the year ended June 30, 2021.

Report on Internal Control Over Compliance

The management of Pinellas County Education Foundation, Inc. and Subsidiary is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Foundation's internal control over compliance with the types of requirements that could have a direct and material effect on a major state project in order to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major state project and to test and report on internal control over compliance in accordance with Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

Year Ended June 30, 2021

(A) Summary of Audit Results

- 1. The auditors' report expresses an unmodified opinion on the consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary.
- 2. No significant deficiencies or material weaknesses relating to the audit of the consolidated financial statements are reported in the independent auditors' report on internal control over financial reporting and on compliance and other matters based on an audit of consolidated financial statements performed in accordance with Government Auditing Standards.
- 3. No instances of noncompliance material to the consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
- 4. No significant deficiencies or material weaknesses relating to the audit of the major state projects are reported in the independent auditors' report on compliance for each major state project and on internal control over compliance required by Chapter 10.650, *Rules of the Auditor General*.
- 5. The auditors' report on compliance for the major state projects of Pinellas County Education Foundation, Inc. and Subsidiary expresses an unmodified opinion.
- 6. Audit findings, if any, that are required to be reported in accordance with Chapter 10.650, *Rules of the Auditor General*, are reported in Part C, of this Schedule.
- 7. The project tested as major state project was:

Prepaid Tuition Scholarships (CSFA 48.051)

8. The threshold for distinguishing Types A and B projects was \$414,743 for the major state projects.

(B) Findings - Audit of Consolidated Financial Statements

None.

(C) Findings and Questioned Costs - Major State Projects

None.

(D) Other Issues

No Corrective Action Plan is required because there were no findings required to be reported under the Florida Single Audit Act. A Summary Schedule of Prior Audit Findings is not required because there were no prior audit findings related to state projects. 140 Fountain Parkway North, Suite 410 ■ St. Petersburg, FL 33716 Main: 727.572.1400 ■ Fax: 727.571.1933 ■ www.mhmcpa.com

Management Letter

The Board of Directors Pinellas County Education Foundation, Inc. and Subsidiary:

Report on the Consolidated Financial Statements

We have audited the consolidated financial statements of Pinellas County Education Foundation, Inc. and Subsidiary as of and for the year ended June 30, 2021, and have issued our report thereon dated December 13, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, *Rules of the State of Florida Auditor General*.

Other Reports and Schedule

We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Consolidated Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditors' Report on Compliance For Each Major State Project and on Internal Control Over Compliance Required by Chapter 10.650, *Rules of the Auditor General*, and the Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated December 13, 2021, should be considered in conjunction with this management letter.

Other Matter

Section 10.654(1)(e), *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the consolidated financial statements or State project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not identify any such findings.

Purpose of This Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, and other granting agencies, and applicable management and is not intended and should not be used by anyone other than these specified parties.
