You will receive an email from Pinellas Education Foundation. You will need to complete an acceptance form and send it back with a thank you letter addressed to the sponsor. You can also check your AwardSpring account, where scholarship statuses are updated April-June.

Why do I need to write a thank you letter to my scholarship donor?

The companies and individuals who donate to the Foundations’ Scholarship Program are doing so because they believe in education. They can contribute to many other causes, however they chose to help the students of Pinellas County further their education. It is very important to thank them for their support.

How do I receive funds?

All requested documentation must be received by the Foundation before a check request is submitted. Once paperwork is turned in, funds are automatically sent directly to your college the **first week of August**. Please allow a couple weeks for funds to appear on your account. It is the expectation that students will be attending the fall school term. Funds are not sent to students.

What can the funds be used for?

The scholarship funds may be used for tuition, books, room and board, or anything that is a billable item through the school. We ask that you work with your college to apply the funds that work the best for the student. Funds can only be used at accredited schools.

When are funds received?

Funds are sent the first week of August. It is the expectation that students will be attending the **fall school term**.

Are funds sent by semester?

No. The Pinellas Education Foundation sends the school the entire award amount in August.

What if I change schools between semesters?

You must send something in writing (email) showing your withdrawal from that school and indicate your new school. You must request a refund from your current school as a withdrawn student. Once we receive the unused portion of the scholarship, we will then issue it to the new school. Send requests to scholarship@pinellaseducation.org

What if I do not complete the withdrawal process and notify Pinellas Education Foundation?

You will forfeit any unused scholarship monies.

What if my school says they did not receive funds?

Please allow two to three weeks from the check date so the school has time to process the check and put it in your student account. If they still say they do not have the funds, please email you name, name of scholarship, the school and the Student ID number to scholarship@pinellaseducation.org. We will respond via email with the check number and check date. Once the school deposits your check, it is your responsibility to continue working with the school to verify and locate funds.

My scholarship is renewable, what does that mean and how do I renew it?

Tom went on to graduate from the University of South Florida and South Texas College of Law. He practiced law in St. Petersburg for 44 years and was active in the community throughout his adult life. Tom was also a lifelong athlete and even served as the 1988 United States Judo Olympic Team Manager in Seoul, Korea. Whether in the courtroom or on the Judo mat, Tom had an incredibly strong work ethic which always included modesty, honesty, integrity, and respect for all. Both his professional career and Judo career were very important, but what truly filled Tom's heart was family, friendships, and laughter. He believed that kindness was contagious and the ultimate key to connecting with others. His sense of humor was special and making people laugh was one of his best qualities. Tom passed away peacefully on July 14, 2019 at the age of 69 after a 3 year courageous battle with Pancreatic Cancer.

They will remember that you added joy to their life, even if it was only for a moment. For your essay, **describe a time in your life where you witnessed kindness that touched your heart and became a memory that will always stay with you. This could be a story about a person being kind to you or about the way it made you feel when you showed kindness towards someone else. How will this shape your future in the way you spread kindness into the world while also staying focused on a successful career?** Remember, Tom loved to laugh, so feel free to add a touch of humor to your story.
2. Please submit a **signed letter of recommendation** from an individual who has played a special role in your education.
