

# CLASSROOM GRANTS

*New grant opportunities for the 24-25 school year!*

Pinellas Education Foundation awards classroom grants to help close achievement gaps and enhance innovative, hands-on learning experiences for students every year.

## Things to know:

- New this year - classroom support will be funded through DonorsChoose.
- All grade levels and subject areas are encouraged to apply. Priority will be given to literacy, math, STEM, or an innovative enrichment to curriculum.
- Applications will remain active for 4 months.
- You will be notified by email if your project is funded.
- Scan the Grants FAQ code below to read frequently asked questions.

## Important dates:

Application reviews begin in mid-September and will be awarded on a rolling basis until January 31 or funding is exhausted.

**The earlier you apply, the better chance of receiving funding!**
