

# CLASSROOM FUNDING AVAILABLE!

Pinellas Education Foundation dedicates funding for innovative classroom projects that enhance learning experiences for students.

## Things to know:

- Classroom support will be funded through DonorsChoose.
- All grade levels and subject areas are encouraged to apply. Priority will be given to literacy, math, STEM, or an innovative enrichment to curriculum.
- Applications will remain active for 4 months.
- You will be notified by email if your project is funded.
- Scan the funding FAQ code below to read frequently asked questions.

## Important dates:

Application review begins in August 18th and will be awarded on a rolling basis until January 31 or funding is exhausted.

**The earlier you apply, the better chance of receiving funding!**
